GRACE MONTHLY

"Give thanks to God in all circumstances; for this is the will of God in Christ Jesus for you."

1 Thessalonians 5:18

Giving Thanks in the Midst of a Storm

by Hannah Byun

This past month, my Buddhist family members from Korea came for a visit. Knowing that they do not know Christ, I thought that this was my opportunity to show them His love. Two weeks flew by, and I mustered up the courage and talked to them about Christianity. Their response was "Hmm... Are there any temples here?" At that moment, I broke down, hurt that my family was not interested in God.

For a while, I felt hopeless that my family will never get to meet God. I couldn't see beyond the sadness. I decided that I couldn't deal with it on my own, so I sought answers in the Bible. I flipped through the passages and I came to a stop at 1 Thessalonians 5:18, "Give thanks in all circumstances, for all this is God's will for you in Christ Jesus." I cried out to God, not being able to understand. I cried, "Can you not see how hard this is for me?" And His response was, "I know. It'll all be okay."

In our lives, we tend to forget that God is in control. When we are in the midst of a storm, we often only see the storm. It isn't easy for us to always be thankful to God during difficult times because we forget how much He has done for us and get caught up in our struggles. We must remember that we cannot avoid the storms in our lives, but that beyond the sadness, there is always hope. So, whatever storm we face, we must remember to hold onto our faith and thank the Lord because He never fails us and will always lead us out of the storm.

SEPTEMBER HIGHLIGHTS

BACK TO SCHOOL BASH

On Friday, September 27th Grace Youth held their annual Friday Youth Night launch. "Back to School Bash". It's an evening where students and leaders get the opportunity to meet one another and have fellowship, breaking the ice for the grade 7s as well. It began with a time of snacks, then proceeded with playing some team games. The night ended with a time of worship and prayer.

Praise & Prayer

- **Praise** God for the new education year! We are excited to see the things that God has planned for Grace Youth unfold throughout this new year. As the Friday Youth Nights have now begun, **pray** that leaders and students will develop meaningful relationships with one another, and that they will draw closer to God through their times of sharing, discussion, and prayer.
- Several students from Grace Youth will be baptized this fall. Pray that these students will continue to grow and be transformed into Christ's likeness.
- Pray for the "SHINE" Family Fall Festival that will take place on October 19th. Pray that the parents and children will make valuable memories together as they come to fellowship and worship as a family. Also pray for the volunteers who will be preparing for and helping out at the event, that God would strengthen them and fill them with joy as they serve.

UPCOMING EVENTS FOR OCTOBER

Friday, Oct 4th Praise & Prayer Night
Friday, Oct 11th Friday Youth Night
Sunday, Oct 13th Baptism
Saturday, Oct 19th SHINE Family Fall Festival
Friday, Oct 25th (CLAY) Board Game Night
(GEM) Fall Festival

There is no Friday Youth Night on Friday, October 18th.

Friday Youth Night (FYN) is our weekly gathering on Fridays from 7:30 -9:30pm. What we do at these gatherings varies from small group discussions to game nights, outreach activites, and praise & prayer nights. As small group times on Sundays provide a limited time and space to fellowship meaningfully, we strongly encourage all students to come out to FYN. It is during these gatherings where students get the opportunity to build deeper relationships with their peers and leaders, as well as spend quality time in sharing and discussion in God's Word.

CLAY and GEM Youth generally have their FYN events separately, but come together several times throughout the year for special events.

If you find yourself asking, "Is it worth my time to go to church on Fridays?" we hope you will join us first before giving an answer to that question!
